

Our Premium CBD-Rich Hemp Oil is Made Right Here in Colorado

CBD-Rich Hemp Oil from That's Natural!

Safe and Pure - Exceptional Quality over other Brands

Quick Facts

- Our premium CBD Oil comes from Industrial Hemp, which is already legal to purchase and sell in all 50 States!
- There are 250mg of cannabinoids in our CBD-Rich Hemp Oil Tincture. Of that, approximately 239mg are Cannabidiol (CBD).
- We use Food-Grade Supercritical CO2 Extraction - you can be assured you will never have any residue from dangerous solvents.
- Our customers use between 1 full dropper and 2 full droppers per day, we suggest trying it out for yourself!
- All of the industrial hemp grown for our product is grown in Colorado and certified by the Colorado Department of Agriculture.
- Cannabinoids and Cannabidiol (CBD) - found in hemp - have been shown in research to potentially benefit the Endocannabinoid System in human's bodies. See more research on our website!
